

October 31, 2007

National Teachers Associates Life Insurance Company held a silent auction to raise funds for the Susan G. Komen for the Cure Breast Cancer Foundation in honor of Breast Cancer Awareness Month.

In honor of Breast Cancer Awareness Month, participating departments at National Teachers Associates Life Insurance Company (NTA Life) in Addison, Texas pulled together to donate gift baskets filled with individually donated items such as picture frames, figurines, flower arrangements, crystal, wine, cheese, chips and dip, barbecue utensils, car wash materials, football accessories, bath products, cooking items, and even a money tree.

A silent auction was held and the gift baskets were each auctioned off individually to the highest bidder. The support, effort and enthusiasm from all those who participated at NTA Life just goes to show how they care about helping others and getting involved for such a worthy cause. Their generosity will make a big difference in the lives of those who have been stricken by breast cancer.

NTA Life is committed to breast cancer awareness and offering products and services that provide peace of mind to those who may be impacted by this as well as many other forms of cancer. With breast cancer, as well as other types of cancer, early detection can save lives. That is why NTA Life offers insurance products that promote wellness screenings.
